1. Samsung Electronics' Counterclaims fail to state a claim for which relief can be granted. Samsung Electronics' Counterclaims are conclusory and fail to allege any facts to support the assertions of non-infringement or invalidity contained therein, and they thus fail to provide fair notice of the basis for the claims.

2. Samsung Electronics is not entitled to receive attorneys' fees because it has not pled facts sufficient to support an award of such fees.

3. Samsung Electronics is not entitled to trial by jury on any defenses that are equitable in nature.
